I love you  
And you love me  
And ain't that the way  
It's supposed to be?

I swing my stick legs 'round at the root  
And I pile drive each foot into a platform boot  
'Cause I'm up and I'm out and I'm bouncing off the  
walls  
And I come when I'm called and you called

I got a super cute three piece suit  
One piece for your body  
One piece for your smile  
One more little piece if you stay a while

Yeah, 'cause I love you  
And you love me  
And ain't that the way  
It's supposed to be?

I gotta beeline double time  
Leave my home sweet home for your honeycomb  
Then I show up steady, ready and proud  
And I find I've forgotten how to talk out loud

Isn't it just like you  
To bring me to my knees  
In my brand new stockings  
While the cat is out with my tongue?

Isn't it just like you  
To bring me to my knees  
In my brand new stockings?  
Yeah, love makes me feel so dumb

'Cause I love you  
And you love me, yeah  
And ain't that the way  
It's supposed to be?

'Cause I love you

Yes, and you love me  
Ain't that the way  
It's supposed to be?  
Hey hey hey
