I said, "Venice"
You heard Vegas
Now I say either way
Baby let's go

Oh, I get so shaky
And I just can't shake it
Oh, I bliss like this
I'm one of those

But I don't wanna wear you
Wear you like a band-aid
Wave you like a ticket
Out of my good grief

Oh, I just wanna know you
Know you like I know my garden
What you smell like when you're bloomin'
What lives underneath, oh, deep down underneath
Oh, way down underneath

We do a whole lotta laughin'
At the shyness that surrounds us
I do a whole lotta lookin'
Somewhere else

I don't need to look
No, I can just feel you
Besides every time I see you
It just forces me to look at myself

'Cause I get so shaky
And I just can't shake it
I, I bliss like this
I'm one of those

And I said, "Venice"
And you heard Vegas
Now, now I say either way
Let's go, come on baby, let's go
Come on baby, let's go
