Folks back east they say,  
I'm leaving home everyday  
Beating the hot old dusty way out  
To the California Line  
Across the desert sands they role  
Trying to get out of that old dust hole  
They think they're going to sugar bowl,  
This is what they find  
Police at the port of entry say  
Your number fourteen thousand for today  
And if you ain't the do re mi boy  
If you ain't got the do re mi  
You better go back to beautiful Texas,  
Oklahoma, Kansas, Georgia, Tennessee  
Maybe you want a house or a farm  
Not do no body no harm  
Just take your vacations by the mountains or the sea  
Well don't sell that old cow for a car,  
You might just want to stay right where you are  
Take a little advice from me  
Cuz I read the warnings everyday  
And the headlines in the papers always say  
If you ain't got the do re mi boy  
If you ain't got the do re mi  
You better go back to beautiful Texas, Oklahoma,  
Kansas, Georgia, Tennessee  
California is a garden of evil  
A paradise to live in or to see  
But believe or not, you won't find it so hot  
If you aint got the do re mi
