You give me that look that's like laughing  
With liquid in your mouth  
Like you're choosing between choking and spitting it all  
out  
Like you're trying to fight gravity  
On a planet that insists  
That love is like falling and falling is like this

Feels like reckless driving when we're talking  
It's fun while it lasts, and it's faster than walking  
But no one's going to sympathize when we crash  
They'll say you hit what you head for, you get what you  
ask  
And we'll say we didn't know, no we didn't even try  
One minute there was road beneath us and the next  
just sky

I'm sorry I can't help you, I cannot keep you safe  
I'm sorry I can't help myself, so don't look at me that  
way  
We can't fight gravity on a planet that insists  
That love is like falling and falling is like  
Love is like falling and falling is like  
Love is like falling and falling is like this

It's like this  
It's like this  
It's like this
