Today we are only whatall is nice about us  
Today we turned on in the blue light of dawn and made  
love

And you were not a dot dot dot  
Waiting for me to complete you  
And it was like I, I just forgot  
To measure everything that I do

Yeah we woke up with the notion  
That enough is not enough without more  
And then we heaved with one motion  
Like the ocean pushes a wave at the shore

And you were not a dot dot dot  
Leaning forward expectantly  
And I was not in such a rush  
To insure my autonomy

Yeah today we are only whatall is nice about us  
Yeah today we are only whatall is nice about us, us  
Today we
