What's Michelle like?  
I've heard good things,  
Tell me something i dont know,  
Was the library bad,  
She lives in Saudi Arabia,  
Well she would, wouldn't she.

(screams)

I don't say no more,  
God was surprised also,  
Sunny please,  
From the south,  
Alright she comes from inner mouth,  
What's Michelle like?  
I've heard good things,  
Free moving christians and the children,  
Why you gotta be so nice?  
Tone it down Jesus Christ,  
Whats Michelle like?  
I've heard good things,  
What's Michelle like?

(screams out)
