I can hear the city sing it's lustful lullaby
And see the drugs spill down the drains into the night
Well I made this bed of nails that I'm sleeping in today
I can't just close my eyes and ignore it all away

Dance with me tonight it's late and I don't want to fight
so out of mind so out of sight so what so dance with me
tonight

Dance with me tonight, dance with me tonight

I can tell you you go out til the lights go on
And when the lights go out well we may well carry on
Will you ever find this needle in a cul-de-sac?
It's only club chez moi and I'm giving something back

Dance with me tonight it's late and I don't want to fight
so out of mind so out of sight so what so dance with me
tonight

Dance with me tonight, dance with me tonight

I can hear the city sing in perfect harmony
Late night taxi bright lights try enticing me
Well I set this rat trap but I'm falling in today
I can just close my eyes but it will not go away

Dance with me tonight it's late and I don't want to fight
so out of mind so out of sight so what so dance with me
tonight

Dance with me tonight, dance with me tonight
