What is true in life, we're shadows in disguise

Making our way through time

Everyday and night

And I wanna know how long

It takes until we find

What it is we need

To make us feel like;
All we do is not a lie,

And in the end we'll be alright

But for now I swear I'll try

I really should be happy

Cause I am alive tonight

Cause I am alive tonight
I've tried my best to lead, an honest life for me

But it split at the seams

Cause every time I close my eyes, and reach inside

The truth I need I cannot find

But as for now I swear I'll try
I really should be happy
Cause I am alive tonight

Cause I am alive tonight

Cause I am alive tonight

Cause I am alive tonight
And I can't lie

I can't lie... no

Alright

I said I am alive tonight

Cause I am alive tonight

Cause I am alive, alive, alive

Cause I am alive, alive, alive

I can't lie

I can't lie... no

I can't lie
