Hey everybody  
Join together unified  
Hey are you ready  
For us all to fight for pride

It's our last chance to defend  
Our war cries to the bitter end  
Pray up to the Heavens  
Our Creator justifies

A war dance of Indians  
It's my own allegiance to the fight

Fight me, white breed  
Everybody symbolize  
We're joined together unified

Hey are you ready?  
Fight me, white breed  
Everybody stand and rise  
Join together unified

Fight, fight

Hey everybody  
Come together, raise the knife  
Same old promise  
That we've heard a thousand times

It's our last chance to defend  
Our war cries to the bitter end  
As man shows his ignorance  
It's my own allegiance to the fight

Fight me, white breed  
Everybody symbolize  
We're joined together unified

Fight me, white breed  
Everybody stand and rise  
We're joined together unified
