"As The Seasons Grey"

Visit "[As The Seasons Grey](#)" on MotoLyrics.com

Take a look, what do you see
Image in the mirror
Yesterday is yesteryear
You'll meet your maker
I know that time grows old
Can't stop the seasons
Shifting sands slip through your hands
Time is gone before it's begun...

Die
A little more
A little more for every day

Lord why
Oh tell me why
Do the seasons slowly grey ?

Days of blue just turn to grey
The picture slowly aging
Nothing left of the memory
Death will not forsake them
God-fearing people say
They are not afraid of dying
So why do they turn to faith
When faith has no meaning in life ?
Time worn
Worn time
Say good-bye to yesterday
After life
Life after
It's all the same

The golden years bring out the pain
Death rolls in like the seasons change
You've lost all hope but still you pray....

Aging eyes that fail to see
The mirror has been shattered
Death's knocking on their door
A vision filled with laughter
I know that time grows old
Can't stop the seasons

And as the end draws near
The story's over before it's begun

Chorus
