Of dog faced gods  
Through the Nile sands whisper  
Of ancient times, mayfly names  
Flickered and gone

The blood and honey  
Dripping from their jaws  
Through the Nile sands whisper  
Ancient times, fade into the dawn

Of dog faced gods  
Manifest in the night  
The sacred rights  
Handed down through times of old

Dark words of power  
Blood upon their tombs  
Through incantations  
Locusts fly, signaling doom

Confirm who I am  
Can't talk all I can  
Conceive sorcery  
Corrodes disbelief

Confirm who I am  
Can't talk all I can  
Conceive sorcery  
Corrodes disbelief

Of dog faced gods  
Dead civilization  
Through priests of power  
Invoking life of the ancient one

The blood and honey  
Dripping from their jaws  
Through the Nile sands whisper  
Travel through time to the land unknown

Confirm who I am  
Can't talk all I can

Conceive sorcery  
Corrodes disbelief

Confirm who I am  
Can't talk all I can  
Conceive sorcery  
Corrodes disbelief
