Lyrics: Billy, Skolnick

Music: Skolnick, Peterson

Here we go

The people show

Victims of tomorrow

The way it goes

It never shows

Emptiness or sorrow

There is nothing left inside

Nothing left to cry for

So I justify my crimes

Things that I must die for

So alone

Away it goes

The life that you have wasted

You never know

Where it might go

The sweet success you've tasted

Tasted by a bitter frown

Knowing I must die for

Can't confide, to all the lies
No one to inquire
As I wander, change os seasons
As I realize
That I'll soon be there
I'll let you know
The reapers show
Makes you beg or borrow
He comes to see
The tragedy
His fate he will not follow
Wearing your electric crown
The preacher starts to pray
Shiver as the lights go down
Heed these words I say
As I wander
Change of seasons
I can't ponder
I got my reasons
As I realize
I don't care
All I know is
That I'll soon be there
Now it's done
The time has come

The people stand in silence

Another dawn

Has come and gone

His fate has been decided

There is no one left inside

A brain without a mind

Traces of a bitter man

Are all that you will find

CHORUS
