Fools the ones who stray, the rain forest burns away  
Know what to believe, this is the air we breathe  
So the world we know is dying slow in south america  
Flames are burning down, all the trees to the ground

Time is running low, we can't stay no more  
Wealth these people see, fight for eternity  
Lies they televise paid by the government  
There on! it lingers on  
And they don't even care if they...

Seal the planet's fate  
Crimes they perpetrate  
Wasting precious land  
It's time to take a stand

Our only hope to breathe again  
To stop the madness closing in  
What will we do when all is lost  
Environmental holocaust...

Our only hope to breathe again  
To stop the madness closing in  
What will we do when all is lost  
Environmental holocaust...  
Foes these people go, someone destroyed their home  
Plagued with disease, left praying on their knees  
Laws protect the land, social justice in demand  
Smoke it fills the air into the atmosphere  
Now it's time to see a cycle of a tragedy  
On! it lingers on, and they don't even care if they...

Seal the planet's fate  
Crimes they perpetrate  
Wasting precious land  
It's time to take a stand

Our only hope to breathe again  
To stop the madness closing in  
What will we do when all is lost  
Environmental holocaust...

Our only hope to breathe again  
To stop the madness closing in  
What will we do when all is lost  
Environmental holocaust...
