### "Man Kills Mankind"

Long before the curtain call  
The dregs they had been cast  
Many screams and twisted dreams  
Flames lead to the throne

Winds of change, keeps you searching for the truth  
Sea of rage, slowly drowning wasted youth

Some people live to lie  
Some people don't  
Some people turn there Cheek, while others hate!

Don't ask why...

The broken world spins too slow, bitterness tastes sweet  
Many paths, invoking wrath  
The wolfs have stole the crown

Winds of change, keeps you searching for the truth  
Sea of rage, slowly drowning wasted youth

Man kills mankind  
Feeding the greed of the overfed swine  
Man kills mankind  
Again and again you choke on the vine  
Man kills mankind  
Feeding the greed of the overfed swine  
Man kills mankind  
Again and again you choke on the vine  
Overfed swine you keep choking and choking...

Some people live to lie  
Some people don't  
Some people are born to die  
Some people won't  
Some people are well-to-do  
Some people ain't  
Some people turn there Cheek, while others hate!

Don't ask why...

Man kills mankind

Feeding the greed of the overfed swine  
Man kills mankind  
Again and again you choke on the vine  
Man kills mankind  
Feeding the greed of the overfed swine  
Man kills mankind  
Again and again you choke on the vine  
Man kills mankind

Again and again you choke on the vine, overfed swine,  
You keep choking and choking...
