Into the Abyss I'll fall-the eye of Horus
Into the eyes of the night, watching me go
Green is the cat's eye that glows
in this Temple
Enter the risen Osiris-risen again

Tell me why I had to be a Powerslave
I don't wanna die, I'm a God
why can't I live on?
When the Life Giver dies
all around is laid waste
And in my last hour
I'm a slave to the Power of Death

When I was living this lie, fear was my game
People would worship and fall
drop to their knees
So bring me the blood and red wine
for the one to succeed me
for he is a man and a God
and He will die too.

Tell me why I had to be a Powerslave
I don't wanna die, I'm a God
why can't I live on?
When the Life Giver dies
all around is laid waste
And in my last hour
I'm a slave to the Power of Death

Now I am cold but a ghost lives in my veins
Silent the terror that reigned
marbled in stone
A shell of a man God preserved
for a thousand ages
But open the gates of my Hell
I will strike from my grave

Tell me why I had to be a Powerslave
I don't wanna die, I'm a God
why can't I live on?

When the Life Giver dies
all around is laid waste
And in my last hour
I'm a slave to the Power of Death
Slave to the Power of Death...
Slave to the Power of Death...
