Music: Peterson

-----

I'm gonna take you

To a place far from here

No one will see us

Watch the pain as it disappears

No time for anger

No time for despair

Won't you come with me

There's room for us there

This innocent beauty

My words can't describe

This rebirth to purity

Brings a sullen tear right to your eyes

No time for anger

No time for despair

Please let me take you

'Cause I'm already there

I'm so alone

My head's my home

I'll return to serenity  
Rhyme without reason  
Is why children cry  
They see through the system  
That's breeding them just so they die  
So please let me take you  
And I'll show you the truth  
Inside my reality  
We shared in my youth  
I'm so alone  
My head's my home  
And I feel  
So alone  
You know  
At last  
I return to serenity  
Now that I've taken you  
To a place far from here  
I really must go back  
Close your eyes and we'll disappear  
Won't you come with me  
Salvation we'll share  
Inside of my head now  
There's room for us there  
CHORUS
