Stand tall and be proud,  
Is there an end in sight,  
Ever since conception,  
Always fighting for your life

Fear nothing,  
Say nothing,  
Pledge allegiance to what's right,  
Revolution overnight

For all the disservice,  
Into peril we fell,  
My instincts ticking like a time-bomb,  
The human race implodes

[Pre-chrous]  
Some choose to celebrate  
Some choose to hate,  
Some choose to live their life,  
Through someone else's pain

All those who follow,  
All those who hate,  
All those with faith,  
Show us your colors,  
American hate!

[Chorus]  
True American hate! (x3)

Stand up and be counted,  
Stand up for what's right,  
Fall to resurgence,  
Intuition overnight

The final plot in question,  
Evil mind over turned,  
So many flags of hate,  
So many nations scorned

[Pre-chrous]  
[Chrous]

Underneath the surface,  
There toils your hell,  
I'm ticking like a time-bomb,  
Watch the world explode!

[Pre-Chorus]

[Chorus]  
True American hate! (x5)
