[Intro: Hell Razah]

1-2, 1-2, yo, you could hear me?

1-2 turn me up

[Hell Razah]

I've been a threat since Benetton Gazelles in Valleys

The Icon in graffiti in the Brooklyn Alley

Touch hearts of the Pharaohs in the Egypt Valley

My Engineer can't see me cuz the Booth is cloudy

Still rowdy even though we in BM's and Audis

Lookin like black Saudis in black Denalis

I'ma terrorist attack when I get on the track

If I'm ridin' Shotgun I need one in my lap

I adapt in any Habitat, a BK Desert rat

It's war, then we sendin' back bodies and gats

Flip the white flag homey and it get worst than Iraq

We know the CIA game was to frame us wit crack

So each bar's more dope, heroin in my pen

Got a ??Marvin?? back robbin', head 'noddin again

Who you shit on to get on top could make it pop in the
end

Who's the flop and what's hot got you locked in the
Gym

Tell Jacob I spit Jewels I could drop 'em a Gem

And if he's lookin' for a Diamond I could hook 'em wit
Tim

[Hook: Timbo King] & {Hell Razah}
