Hey, Hey, Hey, Hey,

Run away.  
Be a real mind,  
And fight another day.  
I heard that in a TV program,  
So it must be right, right, right... right?

Hey... run away.  
Be a real mind,  
And fight another day.  
I heard that in a TV program,  
So it must be right, right, right... right?

She wants you to sleep,  
Stubborn as a mule.  
Nothing I could say to her,  
She thinks I'm just a fool.  
But, who am I a dumb brother?  
Problems of my dumb own.  
I could see your point of view.  
Sometimes is best alone but,  
Out here, out there and out here  
It ain't safe.  
Maybe I'm just going on.  
Maybe I'm a nutcase.  
Now, I ain't thinking straight,  
Old fashion ways you see.  
Sometimes you can't help,  
Best left to just believe.

But hey... run away.  
Be a real mind,  
And fight another day.  
I heard that in a TV program,  
So it must be right, right, right, right, right?

Hey... run away  
Be a real mind,  
And fight another day.  
I heard that in a TV program,

So it must be right, right, right?

I'm always running in my dreams,  
Sprinting on the spot.  
Everyone just passing by,  
I'm scared of what I've got.  
So I just retreat,  
White flag, ways to die.  
Beat down belief,  
Cause such things just cause a scene.  
Grit in my teeth,  
Cause we see the great clouds and  
Rain ain't cool enough to soak  
Sleepy side side bones, it's drenched in a darker tone.  
But, light seem to pitter through.  
On and off like light-switch,  
Nothing more that I could do.

But hey... run away.  
Be a real mind,  
And fight another day.  
I heard that in a TV program,  
So it must be right, right, right, right, right?

Hey... hey run away  
Be a real mind,  
And fight another day.  
I heard that in a TV program,  
So it must be right, right, right, right, right, right, right,  
right...
