### "Breaking Down"

Everything's falling in  
You want them to notice you  
Now I know where I fit in  
Conclusion, I'm losing

Up and down and in between  
You were the one that was always there for me. for me  
I can make it on my own  
I'm breaking down, I'm breaking down  
I can't say what's right or wrong  
I'm breaking down, I'm breaking down again

Now I see that things have changed  
Faded, eluded time  
No excuse will ever last  
Today is forgotten

Everything's falling in  
Conclusion, I'm losing  
I can make it on my own  
I'm breaking down, I'm breaking down  
I can't say what's right or wrong  
I'm breaking down, I'm breaking down again
