I can see all your tears now  
You can't hide  
It's a one-way stream  
Was it true?  
It's you that I'm asking  
Well, you can run and hide  
I can see what you need

Was it all in vain?  
I didn't mean to hurt you  
It's always me you blame for failing you

I know you're here  
Hear what I'm asking  
Won't you try to turn around and leave  
Can't you see?  
It's not me who's changing  
Well go on, now's the time  
To say how you feel

Was it all in vain?  
I didn't mean to hurt you  
It's always me you blame for failing you
