I've broken the neck
You played your last hand now
You proved everything
Living this life
You should have learned
It's like winter without spring
You say that you love
Unlike my past lovers
You just don't have a clue
Some blue conversation
Each night
But none of this is true
I fell in love with you
I'll give it all again
Yeah I fell in love with you
I've never felt it more
Every night
We're thrown together
'Cause love won't let us part
We find something new
New in each other
Yeah it's time you made a start
I want you to burn
I want you to miss me
Yeah when I'm not around
A new conversation
A man of his word
And some thunder in this town
I fell in love with you
I'll give it all again
Yeah I fell in love with you
I've never felt it more
I fell in love with you
I'll give it all again
Yeah I fell in love with you
I've never felt it more
I fell in love with you
I'll give it all again
Yeah I fell in love with you
I've never felt it more
I fell in love with you
I'll give it all again

Yeah I fell in love with you
I've never felt it more
I fell in love with you
I'll give it all again
Yeah I fell in love with you
I've never felt it more
