Somebody told me it was over
Nobody told me where it began
No one believes in you
I understand

Like a blind man who's lost his way
No one hears a word of what you say
I forgive you
Would you do the same?

I would believe you
If only you'd be true
I would believe if it were true

'Cause everybody wants to be a winner
And nobody wants to lose their game
It's insane for me, it's insane for you
It's insane, insane, insane

I don't know where you been looking
I think it's only in your mind
It's tied so tight inside of you
All the thoughts unkind

I would believe you
If only you'd be true
I would believe if it were true

'Cause everybody wants to be a winner
And nobody wants to lose their game
It's the same for me, it's the same for you
It's insane, insane, insane

I would believe you if only you'd be true
I'm getting older and I can't escape time

'Cause everybody wants to be a winner
And nobody wants to lose their game
It's the same for me, it's the same for you
It's insane, insane, insane

'Cause everybody wants to be a winner

And nobody wants to lose their game
It's the same for me, it's the same for you
It's insane, insane, insane
