Didn't know you would leave me  
Like an angel  
But I don't know how far you'd go  
Didn't know that you've been writing  
Life seems so simple  
Writing just to let you know  
You do this to me  
This to me  
Again  
You do this to me  
This to me  
Again  
Every moment seems to make sence  
In the scentence  
I finally had my last goodbye  
You do this to me  
This to me  
Again  
You do this to me  
This to me  
Again  
Lalala  
Lalala  
Lalala  
Lalala  
Lalala  
Lalala  
Lalala  
Didn't know you would leave me  
Like an angel  
But I don't know how far you'd go  
Didn't know that you've been writing  
Life seems so simple  
Writing just to let me know  
You do this to me  
This to me  
Again  
You do this to me  
This to me  
Again  
Like an angel  
But I don't know how far you'd go  
Like an angel

I'd don't know how far you'd go  
You do this to me  
Do this to me  
Again  
I'd don't know how far you'd go
