You came down as if from Heaven
Laid a soft hand on me
I kept on walking and thinking
Where my life's gone, I should weep

Well I don't know where I've been going
I've never known the reason why
So listen to me, I'm scared to cry

The angel sat down at my table
I told her all my doubts and pain
She said there always is a time for love
That it would come to me again

Well, I don't know where I've been going
I've never known the reason why
So listen to me, I'm scared to cry

Well, I don't know where I've been going
I've never known the reason why
So listen to me, I'm scared to cry, yes, I am
So listen to me, I'm scared to cry

I don't know where I've been going
No and I'm scared to cry
Oh no, you gotta listen to me
Yeah, you gotta listen, listen to me

'Coz I'm scared to cry
