No, nevermind
'Cause you're home now
Yeah, you're home

Time never hides
We're alone now
Leave it all behind

Wherever I go I know, I'll tell you
It's just another place, we can go to
So get on board

You gave it all, don't take it back
Been up all night, just talking
The day is dawning
It's early morning

So, catch your breath
It's so clear now
'Cause you're here now

Wherever I go I know, I'll tell you
It's just another place, we can go to
So get on board

You gave it all, don't take it back
Been up all night, just talking
The day is dawning
It's early morning

You gave it all, don't take it back
Been up all night, just talking
The day is dawning
It's early morning

The day is dawning
It's early morning

No, nevermind
'Cause you're home now
The day is dawning
It's early morning
