Are you ready maybe are you willing to run?
Are you ready to let yourself drown?
Are you holding your breath?
Are you ready or not?

Are you ready maybe too long to confess?
Do you feel that you're already numb?
Are you sure of yourself?
And would you lie if you're not

You tire me out
Don't wanna let that happen
A secret scream so loud
Why did you let that happen?

So put your arms around me
You let me believe that you were someone else
'Cause only time can take you
So let me believe that I am someone else

Mani, are you ready to break
Do you think that I push you too far?
Would you open yourself?
Are you reckless some nights?

You tire me out
Don't wanna let that happen
A secret scream so loud
Why did you let that happen?

So put your arms around me
You let me believe that you were someone else
'Cause only time can take you
So let me believe that I am someone else
Let me believe that I am someone else

So put your arms around me
So put your arms around me
Make me believe
Take me, take me somewhere, somewhere
And let me believe
'Cause only time can take you, so stop
