Sleep lyrics

Shar -

I think that you're the one

When everytime you call me lady

I don't know what it is

That makes me feel like this just lately yeah

Bridge (both)

Those heavenly calls

You knew I was on my own

Those heavenly calls

We stepped into the unknown

Chorus (Paul)

Let me sleep

So I can dream of you

Let me sleep

So I can be with you

Shar -

What's a girl to do when she's alone

With you just tell me

And here we are again yeah acting

Like we're friends don't held me

Bridge (both)

Chorus (Paul)

Chorus (both)

Shar -

Hold me close, let me be with you

Paul McCartney, -"

At least tonight, we'll be misunderstood

Chorus (both) 2x

Let me sleep

Oh let me sleep

Let me sleep so I can dream of you

Let me sleep so I can be with you

Let me sleep so I can dream of you

Let me sleep so I can be with you

Let me sleep (5x)

Let me sleep so I can be with you
