Sometimes I feel I've got to  
Run away I've got to  
Get away from the pain  
Your driving into the heart of me  
The love we shared  
Seems to go nowhere  
And I lost my ride  
For I toss and turn  
Can't sleep at night  
Once I ran to you  
Now I run from you  
The tainted love you've given  
I gave you all a girl could give ya  
Now take that give that  
That's not livin'  
Ahh  
Tainted love  
Tainted love  
Now I know I've got to run away  
I've got to get away  
You really don't want anymore from me  
You make things right  
You need someone to hold you tight  
And you think love is to pray  
But I'm sorry but I don't pray that way  
Once I ran to you  
Now I run from you  
The tainted love you've given  
Gave you all a girl could give ya  
Now take that give that  
That's not livin'  
Ahh  
Tainted love  
Tainted love  
Don't touch me please  
I cannot stand the way you tease  
I love you although you heart me so  
Now it's time to take my things and go  
Tainted love  
Tainted love  
Tainted love  
Tainted love
