"Tired Of Being Alone"

I'm so tired of being alone
I'm so tied up on my own
Won't you help me boy
As soon as you can

I'm so tired of being alone
I'm so tied up on my own
Won't you help me boy
Just as soon as you can

People say that I've found a way
To make you see that you love me
Hey baby you didn't go for that
Honey it's a natural fact
That I wanna come back
Show me where it's at baby

I'm so tired of being alone
I'm so tied up on my own
Won't you help me boy
Soon as you can

I guess that you know that I, I love you so
Even though you don't want me no more
I'm crying tears honey through the years
I tell you like it is honey
Love me if you want baby

I'm tired baby
Tired of being alone by myself now
Tired baby
Tired of being on my own at night

In my dreams it's you baby
Sometimes I wonder
If you love me like you say you do
'Cause pleasing you has proven to me
To be my greatest dream

I'm so tired of being alone
I'm so tied up on my own
Won't you help me boy

Just as soon as you can

I'm so tired of being alone
I'm so tied up on my own
Won't you help me boy
Just as soon as you can

I'm so tired of being alone
I'm so tired of being alone
I'm so tired of being alone
