What goes on here in your mind  
I think that I am falling down  
What goes on here in your mind  
I think that I am upside down  
Lady be good and do what you should  
you know it'll work alright  
Lady be good and do what you should  
you know it'll be alright  
I'm going up and I'm going down  
I'm gonna fly from side to side  
See the bells up in the sky  
somebody's cut the string in two  
Lady be good and do what you should  
you know it'll work alright  
Lady be good and do what you should  
you know it'll be alright  
One minute one, one minute two  
one minute up and one minute down  
What goes on here in your mind  
I think that I am falling down  
Lady be good and do what you should  
you know it'll work alright  
Lady be good and do what you should  
you know it'll be alright
