Have you ever seen a sign that  
Upon a time...there were...angels  
You won't lose track 'cause  
Upon their backs feel the weight of wings...

Why'd they fall, it's hard to tell  
But some things you can buy yourself

Yeah we only hurt the ones we love  
While...we don't need a reason  
Only care for the thing we deserve  
And that's something to believe in

I think I've seen a sign but it's a very fine line  
If you...want it all  
And don't lose track  
Upon my back there's no weight of wings

When they shine, it's hard to say  
But something's never fade away

And we only hurt the ones we love  
While...we don't need a reason  
Only care for the thing we deserve  
Well that's something to believe in

So I've been calling angels down to earth  
And I don't need a reason  
Calling angels down to earth  
Cause I believe we need them...

Yeah we only hurt the ones we love  
While...we don't need a reason  
You're gonna get all that you deserve  
And all that you believe in

That you believe in  
Do you need them?  
If you need them  
Do you know?...  
Do you need them?

If you need them...who believes them...do ya  
know??...do ya know...

such a short time...
