Baby do you know what you did today?

Baby do you know what you took away?

You took the blue out of the sky

My whole life changed when you said goodbye

And I keep cryin'...cryin'

Oooh baby, oooh baby I wish I never saw the sunshine

I wish I never saw the sunshine

And if I never saw the sunshine baby

Then maybe...I wouldn't mind the rain

Every day is just like the day before

All alone, a million miles from shore

All of my dreams, I dream with you

Now they will die and never come true

And I keep cryin'...cryin'

Oooh baby, oooh baby I wish I never saw the sunshine

I wish I never saw the sunshine

And if I never saw the sunshine baby

Then maybe...I wouldn't mind the rain

This pain...

And I know there would not be

This cloud that's over me...everywhere I go

Oooh baby, oooh baby I wish I never saw the sunshine

I wish I never saw the sunshine

And if I never saw the sunshine baby

Then maybe...I wouldn't mind the rain

This pain...I wouldn't mind the rain

There wouldn't be this pain

I wouldn't mind the rain

...wouldn't mind the rain
