(Ozzy Osbourne/Zakk Wylde/Randy Castillo)

I get up and I get down

I don't know how to take it

All the pain makes me scream and shout

I wonder if I'll make it

I love the feeling when the magic is just right

There's no revealing what is hidden in the night

Riding on a train I can't control

No one else to blame I can't let go

In the darkness I can feel

The things tht makes me crazy

Hands of madness cold as steel

I find it quite amazing

Never forsaking what a dreamer needs to know

Rules meant for breaking and the seeds I have to sow

CHORUS

Riding on a train that I can't control

No one else to blame but I can't let go

It's calling me, it's calling me

It's calling me, it's calling me

I'm riding on a train that I can't control

See no evil, fear no fright

Never lose the feeling

Keep the targets in your sight

Know the cards you're dealing

Never forsaking what a dreamer needs to know

Rules meant for breaking and I gotta let, I gotta let go

CHORUS
