Oh my godÃ¢?Â¡

Go to sleep rhyminÃ¢??Ã¢?Â¡

And wake up rhyminÃ¢??Ã¢?Â¡

Just cant turn it off man

Im just thinking too much

Just, I just, i just wanna take a break for a second

But I cant I just cant flow without it man its likeÃ¢?Â¡

Oh my god!

Rhyming and dominate prominent ominous flows

Ominous rhymin and shinin the time it is club

Divin and hiding they thrivinÃ¢?? its marvelous so

Obvious yaÃ¢??Il be as down to this party in yall

Intimate sentences entering infinite kaka

Tangents and ligaments bend and extend in your  
chakras

DidntÃ¢??t and getting and sittin and chillin and fillin

and spillin it fillin it jillin

this is how it goeees

dropping a bomb on

a comet a saga is shakinÃ¢??

father the stoppin and polish it all in a breakaÃ¢??

Ballin your comets are fallin all over your acres

and taught of the master

be caught in catastrophe

come get and hit with power (pills?)

and the pain in my head

and ive never

never, neverrrrr

felt so alone

my mind cant stop

cant stop  
my mind cant stop  
cant stop (x2)

and the pain in my head  
and im dreamin

thought you knew

suckah

ding dong  
thatÃ¢??s me at your door  
sir diesel the sandman  
gun atcha jaw  
uncut funk the bomb  
set to detonate

persuade ya  
remind yaÃ¢??  
that whininÃ¢?? about loneliness  
never get you to the zone you wish  
diesel  
my rhyme  
be the sign of the times  
no matter the dateline  
im the grapevine  
for the plotline  
just hit the hotline  
if you on cloud 9  
im hittin the turbine  
you cant outshine  
the sunshine  
bottom line  
from the starting line  
make it as clear as Crystal Lime  
all the way to the finish line  
itÃ¢??s a system wide  
pimpin on the pleasure principal  
is it you?  
You cant pimp me  
Im an O.G.  
Servin you the cold heat  
Time for you to go to sleep!

Thought you knew  
Jive turkey  
Diesel

And im dreamin'!  
Stop  
My mind wont stop  
Stop  
My mind cant stop (x2)

BROTHER ALI!!!

..and im dreamin  
Face down im seen sleepin  
Deep in a dream in the steam of the evenin  
Too much food for thought  
I keep feastin  
Beats that need beastin  
C's that need teachin  
Inner city peeps need reachin  
Not havin'  
im heaving  
And freedom is the reason  
D.C.'s teens in the street keep me grievin  
Tears on my cheek  
Yet we keep believing  
Every weekend another funeral procession  
Creepin all down the streets  
And families weepin  
Peeps need healin  
Anger's seething  
Wanna grab a piece of that heat  
And get even  
The tradition we're steeped in  
Breed beef and try to teach peace  
And make some new vegans  
Its too frequent  
Living conditions is indecent  
Future been bleak  
Man quit reachin  
And all I got left is my speakin  
About these inner visions I be seein'  
Till I can touch and feel im not ceasing  
Never stop rhyming  
Never stop dreamin'!

the pain in my head  
and ive never  
never, never  
felt so alone

my mind cant stop  
cant stop  
my mind cant stop  
cant stop (x2)

and im dreamin.. (x6)
