(Oh, oh, oh)

Oh, oh, oh, oh---
Oh, oh, oh, oh---

[Verse #1]

I got lots of jealous lovers that all wish they had me
back
Got a pistol for a mouth, my own mama gave me that
Making my own road out of gravel and some wine
And if I have to fall then it won't be in your line

[Pre-Chorus]

Everybody's doing it so why the hell should I
Everybody's doing it so why the hell should I

[Chorus]

I'm a bad woman to keep
Make me mad, I'm not here to please
Paint me in a corner but my colour comes back
Once you go black, you never go back
I'm a black sheep
I'm a black sheep

[Verse #2]

I wasn't born a beauty queen but I'm okay with that
Maybe radio won't mind if I sing a little flat
I wear my boots to bed, hang a cross up on the wall
To save me from a shallow break who wants to take us
all

[Pre-Chorus]

Everybody's doing it so why the hell should I
