[Intro:]

So easy your love
So easy your love
So easy your love
So easy your love
So easy your love

[Chorus]

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'
Me so long?
I would like to know

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'
Me so long?
I would like to know

[Verse 1:]

Was I taking things a little fast
Was I making things up in my head
Will you call me, when you're all alone
Or do you call me in your head, I know
If you call me I would never let you know

[Chorus]

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'
Me so long?
I would like to know

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'

Me so long?
I would like to know

[Verse 2:]

You were like a drug inside my head
Something not so good and you're so bad
Now you call me and I'm not alone
When you call me, I can't pick it up
You just call me and I can't let you go

[Chorus:]

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'
Me so long?
I would like to know

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'
Me so long?
I would like to know

[Bridge:]

And when you call me
What did you call me
And you don't call me
Forget to call me

And you don't call me
Forget to call me
Yeah, you don't call me
Forget to call me

It's so easy your love
It's so easy
It's so easy your love
It's so easy
It's so easy your love
It's so easy
It's so easy your love

[Chorus:]

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'
Me so long?
I would like to know

It's so easy
Your love's got me shaking
If it's so easy to stop
Why's it takin'
Me so long?
I would like to know

[Outro:]
So easy your love
So easy your love
So easy your love
So easy your love
So easy your love
