you say i'm too militant
but maybe i'm just passionate
yea, maybe if you gave a shit, you'd get it

this is what i say to you
when you tell me what i should do
you tell me not to throw a fit
like i'm supposed to deal with it
it's easy for you to say
when you won't take a single day
to put yourself in my position
and see if you choose submission

this is what i think of you
when you tell me what i should do
you tell me not to throw a fit
like i'm supposed to deal with it

it's easy for you to say
when you won't take a single day
to put yourself in my position
and do it for the reasons, not just the fashion
do it for the reasons, not just the fashion

there's just one thing left to say to you
and that's that i hate youe and your cell phone too!
i hate you and your cell phone too (4x)
(do it for the reasons, not just the fashion) (4x)

i'm so sick of backlash fights
and girls fending boy's rights
survivor meets the predator
and boring trendy self rigeous scenesters (2x)

all your friends look the same (2x)
bectha he'd look down on me (2x)
all your friends look the same (2x)
bectha he'd look down on me (2x)

i hate you and your cell phone too (4x)
(do it for the reasons, not just the fashion)

some dude in your band tried to steal my amp (3x)
and they won't turn my microphones up
