Luv luv luv, luv luv luv
Luv luv luv, take this feeling now

Everybody in a
They forget the rhythm of the soul
Everybody keep that
Oh baby up and down, baby up and down yeah
In a reputation
Sometimes you are Lose control
Don't take
Oh baby up and down, baby up and down yeah
If you come to me
We can only take about oh

Luv luv luv, luv luv luv
That's the way you need me
That's the way you make me feel
Luv luv luv, take this feeling now
Luv luv luv, luv luv luv
That's the way you need me
That's the way you make me feel
Luv luv luv, take this feeling now

Every time you feel some action
Try to spent you time in love affairs
I die up you cool reaction
Your body's up and down, baby up and down yeah
Change your heart before this system
Help your body to move by itself
Listen to me baby one more time
Don't stop to up and down, baby up and down yeah
If you come to me
We can only take about oh

Love take your sweet love
