Oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh

Nothing is beating, nothing is leaving
They only take care human ways
Nothing completing, everything's came in
There is no reason to leave

Say.....more walking in.....
Ina di my love
Cause there is more guarantee
Ina di
Do you understand, pom pom
I'm a, pom pom
Check out, and I'm swearing
Take a rehearsal

Missing in the rain
Hold me out of pain
Giving me the start to ease the shame
Missing in the rain
Nothing more to change
Babe it's not so far a shining flame
