Young at heart we may be only Young at heart but
we're not Lonely
If anything we're never in but we're out Young at heart
if we are only
Young at heart then let us slowly Unwind our say only
way we know how
Young at heart You can so easily become a part of any
new fangled dancing
craze Like the way that you did When we were kids
Young at heart
we may be only Young at heart but even so We're the
first to admit
we're at that stage even though we might act our age
Young at heart
we'll always remain. [solo] (Young at heart)
(It's so important to play your part) Don't let them tell
you you're much too old
Wearing clothes in a way that's up to date Young at
heart if we are only
Young at heart you never know We could still surprise,
tantalize
Even with bags under our eyes Young at heart we'll
always (Young at heart
we'll always) Young at heart well always remain.
