That's the Alkaholiks functions, conjunction junction
The remix version for all the brothers out there
That got shit on they chest and just wanna let it out

They'll say I can't hold it in
I gotta let it all out
They'll say I can't hold it in
I gotta, I gotta let it all out

Anything you could do I could do fresher
When I'm on the microphone I rock the shit without no
pressure
'Cause I snuck my forty ounce past the bouncer with
the stun gun
I gots to get some lyrics off my chest so let me run one

'Cause who's bad? Not Michael Jackson when I asked
him
I even rock the mic for seven days with Toni Braxton
It's the, Liks, rockin' like a six point six
So while I be scoopin' bitches you rush the porno flicks

For reals, I gots more skills than an occupation center
I got your hoe cookin' my dinner
Action, lights and cameras ain't needed
Indeed it's, the nigga that be gettin' rappers heated

I'm J-Ro, and my style is darker than a mole
My rhyme is so hot you got to stop drop and roll
All the Liks releases, become masterpieces
Oh Jeezus, my style is sick like pork greases

And I can't holt it in
(I can't hold it in)
I gotta let it all out
(I gotta let it all out)
They'll say I can't hold it in
(I can't hold it in)
I gotta let it all out
(I gotta let it all out)

They'll say I can't hold it in

(I can't hold it in)
I gotta let it all out
(I gotta let it all out)
They'll say I can't hold it in
(I can't hold it in)
I gotta, I gotta let it all out

I get in 'em when I sin 'em, the Alkaholiks venom
I fold your clothes with your body still in 'em
The rhymes I got, hit like Ronnie Lott
The only way you take my spot is with a shot

I grab rappers by the hand and make sure they
understand
That they can't scrape J-Ro the man
A nigga who stays, in the old school ways
And just like Subways, I can make your days

We got more soul than James Brown and platform
Adidas
The Likwit crew, comin' new like a fetus
So run tell your granny, your pops and your girl
Niggaz like me gonna rule the world
So all aboard the J-Ro train to FunkyTown
Express from the West so it's best that I clown

Let it all out
Let it all out
Let it all out
Let it all out

I bust the Alize on ice on down to Beck's brew
I got more fame than Dana Dane I hold mics like
Donahue
'Cause I'm committed, admit it, you was too legit to
quit it
Dancin' with toilets now you can't get busy with it

With the vintage Olde Gold gettin' dusty in the cellar
I throw my shit deeper than Jeff Hostettler
So yo what you got, 'cause god damn it's hot
It's the Alkaholiks rhymer up in your night spot

So ease up off my line, and let me rhyme
I'll lose you like that jewelry that that bitch can't find
On B E T, and yo it'll take a secret psychic
'Cause even in the future I'ma freak it when I mic it

And I can't hold it in
(I can't hold it in)
I gotta let it all out

(I gotta let it all out)
They'll say I can't hold it in
(I can't hold it in)
I gotta let it all out
(I gotta let it all out)

They'll say I can't hold it in
(I can't hold it in)
I gotta let it all out
(I gotta let it all out)
They'll say I can't hold it in
(I can't hold it in)
I gotta, I gotta let it all out

With flows rough enough to cut ya, beats enough to
touch ya
Known to rock the cooles with the liquid rhyme
structures
It's the man with vocal tones that hurt words to broken
bones
I got flows throughout my body deep rooted like kidney
stones

So tap into the cold while I torch MC's
'Cause I be itchin' for a scratch like the Force MD's
But yo fuck that, Tash is in the wind with the gin
I gotta pass the mic to J 'cause he can't hold it in

I can't hold it in my friend the Liks get the most clout
We be scorin' points like Michael Irvin on the post route
And just like Joi boy, I make your bones ache man
Just how much punishment can a rapper take man?

The homes be like, "Where you been?" Man I been
creatin'
We had you salivation like the dogs that be waitin'
For the Kibbles n Bits, I love pits tits and rap hits
And Bruce Lee flicks, and clockin' yaps with the Liks

I can't hold it in I gotta speak my mind
There's a lotta half-ass niggaz thinkin' they can rhyme
But their style is not buttah, it's more like Busta without
the A
You never think of nuttin' fresh to say

The freshest DJ from the state of Ohio
I remember when you battled, cuttin' up Survival
Nots toe fucked with, used to brag and boast
Packed up my Technics, now I'm on the West coast,
now I

Damn, we gotta get that shit off our chest nigga
Yo before we get up out
I wanna shout it out to my nigga Diamond D
