

Tha Alkaholiks "Make Room"

I knock 'em, knock 'em out the park when other rappers
are hitting bunts

I'm a togger not a fogger, step on hunts and don't do
stunts

I got soul power, never took a cold shower
Never had a girlfriend, the color of cooking flour

You can call me sleazy 'cuz my rhymes are kinda
greasy

Some brothers wear curls 'cuz it ain't easy being peasy
Like a Kung-Fu flick, I stick you in the dick with my
toothpick

Tell 'em Rick, ?You hit them harder than a fuckin' brick"

I like clothes and hoes but like 'em better in the sheets
I rock more beats than Jesse Owens ran track meets
Amazing feets move, they happen everyday
When the Ro to the J, bring his ass out to play

I weight one-eighty but I'm fat
I ki uh kick up dust when I bust like a cap
Tha Alkaholik crew and what we're here to do
Is rock a show, knock a hoe and crack another brew

Make room for the crew with beats that thump
Make room for the crew with beats that thump
Make room for the crew with beats that thump
Tunes hittin' hard enough to ditch your trunk

It's the Liks, baby, it's the Liks
It's the Liks, baby, it's the Liks
It's the Liks, baby, it's the Liks
It's the Liks, baby, it's the Liks

The super, duper, gets it poppin' with the quickness
King Tee and the Alkies, straight gettin' down to
business

It's all about the Liks 'cuz we're heavy on the kicks
But we're easy on the treble, adjust my mic level

So fools can here me mic checkin', all the way in China
The skills you can't front on, Tha Alkaholik rhymer

Could rip a show up, to' up so I always flex my talents
But my words don't be slurrin', I never lose my balance

But that's 'cuz I'm slick tossin' bottles like a discus
The Liks could rock a party from Halloween to
Christmas
That's why I'm screamin' on MC's like I'm Onyx
I'm hooked on gin and tonics like your momma's
hooked on Phonics

So when we steppin' through, with the thirty-two of brew
Niggaz better make way for the Alkaholik crew
When we're steppin' through, with the thirty-two of brew
Niggaz better make way for the Alkaholik crew

Make room for the crew with beats that thump
Make room for the crew with beats that thump
Make room for the crew with beats that thump
Tunes hittin' hard enough to ditch your trunk

It's the Liks, baby, it's the Liks
It's the Liks, baby, it's the Liks
It's the Liks, baby, it's the Liks
It's the Liks, baby, it's the Liks

First you gotta have respect, money comes next
After you get those, come the hoes and the sex
Girl, you keep askin' 'bout the niggaz in my crew
Yeah, I'm down with Pooh but what's up with me and
you

'Cuz I don't give a fuck, whose your cousin who could
fuck
'Cuz I just wanna fuck, damn, I wanna fuck
So unlock the gate and make room for the heavyweight
rapper
The slim light skinned coochie slapper

Pull over to the side, so I can roll up the indo
Got the bitch head bumpin', on the front window
Wham, bam, I spanked you ma'am
I wonder how they make these rubbers from the skin of
a lamb

I blow into the mic when I check it
Had hoes gettin' naked, way before I made a record
I smoked a gang of liquor, I drink a gang of boom
Like Ted, I gotta zoom, zoom so make room

Make room for the crew with beats that thump
Make room for the crew with beats that thump

Make room for the crew with beats that thump
Tunes hittin' hard enough to ditch your trunk

Make room for the crew with beats that thump
Make room for the crew with beats that thump
Make room for the crew with beats that thump
Tunes hittin' hard enough to ditch your trunk
