Castles Made Of Sand

---

Down the street you can hear her scream "you're a disgrace"

As she slams the door in his drunken face

And now he stands outside,

And all the neighbors start to gossip and drool

He cries "oh, girl you must be mad,

What happened to the sweet love you and me had?"

Against the door he leans and starts a scene

And his tears fall and burn the garden green

And so castles made of sand,

Fall in the sea

Eventually

The little indian brave who before he was ten,

Played war games in the woods with his indian friends

And he built a dream that when he grew up

He would be a fierce warrior indian chief

Many moons past, and more the dream grew strong

Until tomorrow he would sing his first war song

And fight his battle, but something went wrong

Suprise attack, killed him in his sleep that night

And so castles made of sand,

Melts into the sea

Eventually

here was a young girl who's heart was a frown

'Cause she was crippled for life and she couldn't speak  
a sound

And she wished and prayed that she could stop livin'

So she decided to die

She drew her wheelchair to the edge of the shore

And to her legs she smiled "You won't hurt me no  
more"

And then a sight she seen made her jump and say

"Hey look a golden winged ship is passin' my way"

And it really didn't have to stop

It just kept on goin'

And so castles made of sand,  
Slips into the sea  
Eventually
