Purple Haze

---

Purple haze,all in my brains

Lately things just don't seem the same

Actin' funny I don't know why

'Scuse me while I kiss the sky

Purple haze,all around

Don't know if I'm goin' up or down

Am I happy or in misery

What ever it is that girl put a spell on me

Help me,help me

Purple haze,all in my eyes

Don't know if it's day or night

You got me blowin', blowin' my mind

Is it tomorrow or just the end of time
