I sure got the blues this morning, baby
Yeah! And Im here to tell you about it
So you might as well pick up on it!
Im a man
At least Im tryin to be
Ive lived before
The other half of me
Ive lived before
That you dont want me
But in this search
For nothing desperately
Oh, Im tryin tryin
Not to be a fool
Im tryin tryin
Lord to keep my cool, baby tryin so hard to keep it
together

After I find, baby
That true love of mine
Im just rollin screamin
Cryin flyin
Cant be trusted, but busted
Rolling Stone

Youre a woman
At least you say you are
Youre a woman
At least you look like you are
Youre a woman
At least you taste like you are
But you can take it off
In bed with my guitar
And then you leave them
Throw me outside
To cry, cry
To the moon and the nighttime
Save my soul,
You cant find
All you want is a ticket to ride
After you show me everything
It did prove otherwise

You just rollin, screamin, cryin good love is sometime,
but cant be trusted
