Sometimes I wonder where it is love goes

I don't know if even Heaven knows

But I know you had some dreams that didn't

quite come true

And now I'm not the one, little girl, who's

keeping you

I was either standing in your shadow or

blocking your light

Though I kept on trying I could not make

it right

For you girl-

There's just not enough love in the world

I know people hurt you so bad

They don't know the damage they can do,

and it makes me so sad-

How we knock each other down just like

children on a playground

Even after that ol' sun went down-

I was either standing in your shadow or

or blocking your light

Though I kept on trying I could not

make it right

For you girl-

There's just not enough love in the world

Oh darlin', this is still a shady little town

And sometimes it's so hard to smile-

For the world, for the camera-

And still have something left

You don't have to prove nothin' to nobody

Just take good care of yourself

I'm not easy to live with-

I know that it's true

You're no picnic either, babe

And that's one of the things I loved about you

But a time will come around when we need to settle
down

Got to get of this merry-go-round

I was either standing in your shadow or

blocking you're light

Though I kept on trying I could not make

it right

For you girl-

There's just not enough love in the world
