[Chorus]

You see I can't get enough of your tongue in my pussy
Can't get enough of your love
You see I can't get enough of your tongue in my pussy
Can't get enough of your love

[Kurupt]

The bitch tried to act like I didn't know her
So I just ignored her, placed a order with her friend
And after her friend was rollin', she was all in
I ain't mad at ya, upset, I ain't trippin'
Just make sure before I put my dick in
your mouth, you tell me how it feels
To get dick from a nigga that's real
I knew all along you wanted to do it to me
And I knew your homegirl was in that cooch
She just smiled and giggled
Then she ate my balls off like Halls and Skittles
(Ah shit) Now this was the bomb
Cause her homegirl over there watchin' it all
My homegirl came over and we had a ball
One was eatin' the other while I was beatin' the walls

[Chorus]

You see I can't get enough of your tongue in my pussy
Can't get enough of your love
You see I can't get enough of your tongue in my pussy
Can't get enough of your love

[Too \$hort]

I was with these two hoes last night
They was hooked on my dick like a glass pipe
They ate each other out, again and again
Everytime they took a break I was stickin' it in
And when I took it out, put my dick in her mouth
Looked down, the other bitch was eatin' her out
And that's how it be, and now ya see
It's just that everyday player lifestyle to me
Too \$hort baby, you know I'll never treat a bitch like a
lady
You know I never stopped pimpin' since the '80s
And I never will, I'm the player you can't play me

These niggaz be hoe-less, and they know this
On the money real players stay focused
It's all game ain't no hocus pocus
Me and Daz in Miami bout to take yo' bitch

[Chorus]

You see I can't get enough of your tongue in my pussy
Can't get enough of your love
You see I can't get enough of your tongue in my pussy
Can't get enough of your love

[Daz Dillinger]

Cheap hoes, I took a flick of her tits and her hips
and her lips and the click and her body was the shit
(god damn!)
We engaged in a threesome, she wanted some
freedom
so we decided to freak it, she was black and Belizean
Firm body, she was a hottie fresh outta New York
With a girl from Shreveport, was fine of course
We took a hot bath, we giggled and laughed
Plus I tickled that ass and she gave me some head
While you do me and you do her
Whatever occur we shall keep between us
And you do her, and I'll watch you
And kiss and just start fuckin'
We did it big - we smoked, we drank, that's how we live
She 24 without no kids (Break the bitch)
Yeah, she did it like this and like that
(Break that bitch and take that cash, she just a beotch!)

[Chorus] - X 2

You see I can't get enough of your tongue in my pussy
Can't get enough of your love
You see I can't get enough of your tongue in my pussy
Can't get enough of your love
