

## **Tha Dogg Pound "Every Single Day"**

Visit "[Every Single Day](#)" on [MotoLyrics.com](#)

Every single day, ooh, every single day  
I've got to have it, every single day  
I gotta have it, every single day

Yo, it's on nigga, a stick up motherfucker  
"Boo ya" went the fo' fo', there goes another  
Nigga playin' the roll of the tuffy  
Ridin' me like a Huffy, niggaz that's tryin' to bust me

Watch ya back 'cause I'm comin' when ya least  
Expectin' a nigga to start wreaken like a beast  
Beauty, it's my duty to gets wild  
Grips the mic and kicks back mad style

One, two, three and to the fo'  
It's the K U R U P T wit tha chrome fo' fo'  
Rat tat tat tat niggaz fall to the flo'  
And Dat Nigga Daz come steppin' through the do'

Uh, open up ya mind for a second, now pause, freeze  
froze  
Close doors, Doggy Dogg's in the motherfuckin' house  
once mo'  
A little taste for them niggaz that be bitin' my flow  
Yo, put ya gun away, run away 'cause I'm back  
(Got it?)

Hit 'em up, get 'em up, spit 'em up, did 'em up like that  
Nigga so what the fuck can I say?  
We droppin' shit like this like every single day  
I keep a strap in my pocket when I step  
'Cause niggaz be trippin', thinkin' I'm slippin' but I ain't  
slip yet

I ain't sayin' I'm untouchable  
But if ya fuck wit the Dogg I'ma buck ya though  
So, play me if you wanna get played  
But what about now Dat Nigga Daz 'bout to get my back  
blazed

Creep wit me as I crawl through the hood  
Every single day, every single day

(Every single day)  
Every single day, every single day  
Every single day, every single day  
Every single day, every single day  
Every single day, every single day

I come creepin' through the fog wit my saggin' duce  
Eastside, Long Beach in a seven eight Coupe De Ville  
Rollin' wit the G folk, bumpin' in my shit and it don't quit  
Droppin' on the one motherfucker put together that's it

A nigga wit a grip off that gangsta shit  
Wit a fat ass sack, some Tanqueray and a bitch  
Booty hole naked on my flo'  
Give it to the dizzo, let the bitch go

'Cause bitches ain't shit and I don't love that hoe  
All I be smokin' is that bomb ass chronic  
And in a minute I'm feelin' the bionic

See, I come back like a champ, Tyson hit hard as Snoop  
He gonna be rockin' on the mic when he lit it up, hit' em  
wit the Pound  
Blood, flying through the sky like a dove  
Gotta stay above, H O E to the S N double O P, D O  
double G

Pass the number one spot like a ball  
From the the doc to the motherfuckin' Dogg  
Yiggy yes y'all 'cause I fades 'em all  
When I'm steppin' through the fog and creepin' through  
the smog

I gotta whole army of forts, I gotta whole brigade of  
rhymes  
In a mental state, time to time, I'm engaged in the  
crimes  
Whether in a fix, my experience leaves me to notice  
In the mix, no negligence, have you the audacity

To come blastin' me? Actually I cause catastrophes  
Down at blast for me, I'm catastrophic, the shit you  
must do  
Shaky ass nigga, now how the fuck can we trust you?  
We're the cashy, ashes to ash to ashy, dust to dust

I bust when I'm here when heat flashes  
My heat sends heat strokes, my scraps put the seniorita  
Make niggaz choke like inhalin', end up the smoke  
So take one toke off the automatic, I got stashed in my  
coat

Under pressure, I come to test ya, extra  
Extraordinary, rough texture, rough rhymin' texture  
Expect a next, a hittin' balls to hard balls subject ya  
The romantic buildin' is the beginnin' of ya destiny  
Destined to fall, praise to me and D A Z  
We mash, leave no flaws, we break jaws  
Smoke all the chronic wit Daz and my nigga Doggy  
Dogg

Every single day, every single day  
Bitches on our nuts like every single day  
Every single day, every single day  
Bitches on our nuts like every single day

Every single day, every single day  
Smokin' on the chronic like every single day  
Every single day, every single day  
Bitches on our nuts like every single day

Every single day, every single day  
Every single day, every single day  
Every single day, every single day
