[Female]

I lost my eye

[Kurupt]

Yeah, what up baby?

Gangstas

Dat Nigga Daz, Kurupt Young Gotti

Gang of bitches in her, 'cause

[Daz]

That's what I'm talking about

Look that hoe shakin her ass

Big ass titties

[Kurupt]

This is how the G's move

Baby won't you come and see if you wanna be down wit
us (Wit us)

No need for all that bullshit

I'ma gangsta livin gangstafied just givin it up

I just down a fos fill

Turned it off, made her strip down to her drawers

The next stage, as we turned the page

Enter in a different stage of this pimp hall game

I'm like "Baby you lookin bomb" I tell her again

Like "Baby you lookin bomb" light complexion skin

Got a picture of her butt-ass naked she laugh

Later that night I got that pussy then she asked me for

Daz

[Daz]

You like it wild and kinky, gettin freaky takin off your
bikini

Grant my wish like genie

Because you might get G'd if you don't suck dick

Break out the weed and drank cus we ??

Sippin tequila and all black beamer

Bitches watchin and jockin and seein a nigga gleamin

Can I fuckin get paid sip liquor in the shade

Amaze the bitch worked dick so many ways

She said "Ooooooh, I like it when you do it and you

knowin that my pussy's tight"

She said "Ooooooh, Is you a nigga that can do it can ya
ass fuck harder tonight?"

I said "Ooooooh, Bitch I wanna fuck, can you do it like
this and that?"

[Kurupt]

So lay yo punk ass head back bitch

And listen to sounds of Kurupt and Daz, ya trick bitch

[Chorus: Kurupt (Daz)]

Gitta Strippin, take it off

These hoes came to the party to break it off

Daz what the fuck is that? (Kurupt what the fuck is this?)

A gang of bitches to eat a gang of dick

Now bitches aint shit

They gobble dicks, eat nuts

Blow balls in the Cut

In the halls all y'all

Gitta Strippin, take it off

The hoes came to the party to break it off

[Daz]

She said "Kurupt and Daz what's your fantasy?"

That you would never have had a piece of ass for me

Then when you get it one nigga to come after me

Then she worked on a player so drastically

Baby got nasty, when you least expect it

The one that get so drunk and get butt naked

We don't be trippin when we walk inside the club

Chillin with a bitch by the name of Love

See Love was the girl who liked that dick

Plus liked that clit and liked freaky shit

[Kurupt]

Fucked up off liquor and I don't give a fuck

And so is every nigga that you seein pull up

From our hood, we come in dipped then come out

Get a bad bitch to grab my dick and suck the cum out

I'm tranquilized; I'm out my mind

All I want is my dick licked a million times

Girl, with those lips I wonder what you could do, girl

Probably miracles, and I got to smoke it

Get high, and you can lick dick till you start chockin

Look at my face bitch, I aint jokin

I'm smooth, I'ma muthafucka, get high as the moon

I'm the nigga that's quick to kick a bitch out the room

[Daz]

If y'all aint givin up no pussy y'all gots to get the fuck
up outta her

right now
(Right now, bitch)

[Chorus: Kurupt (Daz)] (2x)
Gitta Strippin, take it off
These hoes came to the party to break it off
Daz what the fuck is that? (Kurupt what the fuck is this?)
A gang of bitches to eat a gang of dick
Now bitches aint shit
They gobble dicks, eat nuts
Blow balls in the Cut
In the halls all y'all
